- Enjoy attending varied and interesting art demonstrations during the year.

PROGRAMS

ART has hosted many different programs since its inception in February of 2002.

Programs and get-to-gethers, might include a special guest artist giving a demonstration on painting techniques, a clay workshop, polymer clay, jewelry assembly, stained glass production, a silk painting workshop, how to get creative and inspired, creative mask making, a Mardi Gras party with costume awards, and a holiday party, just to name a few.

Our "Small Works Show" has acquired a reputation of being an art show of excellence—for art on a small scale. The show gives members an opportunity to show and sell their 2-dimensional, 3-dimensional, jewelry, photography, and digital art. Winners are awarded cash prizes for their art, juried by a professional.
