

# Come Get Creative With Us!

Our mission statement says it all;

**“Promote the Diversity & Appreciation of the Visual Arts in the Community.”**

That's what Artists 'Round Texas (A.R.T.) has been doing since February 2002. You may love to create 2D art, work with photography, pottery, sculpture, art jewelry, dying clothing, or any other media. We invite you to join A.R.T., a visual arts organization, to meet other creative people, learn new processes, sell your art and enter juried art shows for cash awards.

- At monthly programs, learn ways to create artwork, and gain confidence pursuing your creative side with experienced art professionals, as they demonstrate their media, or teach a workshop, usually at no charge.

**Visit and “LIKE” us on FaceBook, or go to [www.artistsroundtx.org](http://www.artistsroundtx.org)**

**We are a member run, volunteer, community organization, and a 501C3 non-profit corporation**

- **ART FIELD TRIPS;** visit museum exhibits and enjoy studio art tours.
- **LEARN ABOUT NEW ART MATERIALS** and how you might incorporate them into your creative supplies.

• **REDUCED ENTRY FEES** as members, in juried art shows: *Paint & Photograph Rowlett* in Spring and the *Small Works Show* (2D, 3D, Photo and Adornment) in the Fall. The shows are recognized by the art community, because of generous cash awards,

and professional jurors. Entrants also have the opportunity to sell art to the public. The City of Rowlett, the Rowlett Chamber of Commerce, and other businesses offer additional purchase prizes for our shows.

- **PUBLIC ART** - A.R.T. members exhibit and sell their artwork at locales around the city.
